We are excited to Welcome Big Bear Planetariums to the school this coming Thursday & Friday. The mobile planetarium has the ability to bring the universe to our students while creating a visual experience to help with the learning process. Big Bear shows will last for 40 minutes with time afterwards for astro officers to answer any questions. The session will be conducted in Irish & English.

NB – Tionól maidin Dhéadaoin agus Aoine /
Assembly Thursday & Friday morning.

The children will assemble in their lines in the school yard until the bell goes @8.55 on both mornings as the hall will be in use by Big Bear Planetariums.

Thank you for your co-operation with this.

GO RAIBH MAITH AGAT to
